

## YTO CA702 Crawler Tractor

Model		YTO CA702 Crawler Tractor
<b>Parameters</b>		
Type		Agricultural crawler type
Dimension(LengthxWidthxHeight) (With earth-moving shovel)	mm	4870x2462x2432
(Without earth-moving shovel)	mm	4466x1835x2432
Min. operating weight	Kg	6300/6800(equipped with earth-moving shovel)
Wheel tread	mm	1435
Wheelbase	mm	1622
Width of crawler	mm	390
Ground specific pressure	kPa	44.2/47.7(equipped with earth-moving shovel)
<b>Diesel engine</b>		
Model		LT4B3
Type		Vertical,water-cooling,four-stroke
Displacement	L	4.58
Rated power and speed	Kw/r/min	51.5/2200
<b>Transmission</b>		
Gears forward/rear		4/2
Speed forward/rear	Km/h	3.67-9.03/3.51-5.59
Power of power takeoff shaft	Kw/r/min	44
Speed of PTO	r/min	720
Clutch		12-inch double-disc single-action
<b>Work attachments</b>		
Type pf three-point linkage		Rear-mounted two-point or three-point class-II linkage
Depth-control method		Height adjustment
Lifting force	Kn	12.8
Size of earth-moving shovel (Width x Height)	mm	2462x850
Underground depth of earth-moving shovel	mm	290

## YTO CA702 Crawler Tractor

Product name: YTO CA702 Crawler Tractor

Engine power: 70 horse power

Engine brand & model: YTO LT4B3

Min Order Qty: 1 unit

Delivery Time: 35 days

Country of Origin: China

1. Tractor with high performance price ratio, which can be widely used in agricultural land operations and earth-moving operation.
2. Dry-type double-disc single-action main clutch, which is easy to operate and has long service life.
3. 4+2 transmission equipped with sliding gear for shifting operation, which has reliable performance and is suitable for various operations.
4. Multiple-disc dry-type steering clutch, and floating-type belt brake which enables reliable braking operation,
5. Freely-supported beam structure for final drive, which has the advantages including high supporting strength and high reliability.
6. Wide crawler available for works on low and wet land, and rubber crawler available for increasing the trafficability.

The logo for SunnForest Enterprises features three horizontal orange bars of varying lengths on the left, followed by the word 'SunnForest' in a green sans-serif font, and the word 'Enterprises' in a black sans-serif font to its right.
